

Royalton Community Facebook Group

A Facebook group has been set up by resident volunteers for residents of The Royalton to help maintain a sense of community during these unprecedented times.

Are there needs that residents have that other residents could possibly respond to? Post your requests to the Royalton Community Facebook Group. Maybe someone can assist you. Let's care for each other and our neighbours.

Please note that this group is volunteer run, and is not a communications channel to/from the Strata Council or Building Manager. Those communications must continue to go through official channels (a letter placed in the council mailbox, email or phone call, etc).

The Royalton Community Facebook Group moderators will NOT pass on any requests or messages to Strata Council or the Building Manager.

We also reserve the right to remove any submissions that:

- Contains abusive, obscene, indecent or offensive content
- Includes defamatory, abusive, harassing or hateful remarks, or constitutes spam
- Promotes services or products
- Solicit for donations

We ask that you respect other residents' privacy and refrain from posting any personal information of others such as photos, email address, phone number, address, etc.

The group can be accessed at the following link or by searching "Royalton Community" on facebook: <https://www.facebook.com/groups/196101441694039/>

It can also be accessed by scanning this QR code with your phone
